

My Fab Fashion Style File

Lesley Ware

Inspire young girls who love fashion and design to record their unique personality and style

Fashion-focused girls will obsess over this personal style sketchbook designed to educate young readers about fashion concepts, fabrics, patterns, and colors, and encourage them to develop their own unique looks.

Activities include charting style history, writing a sample fashion magazine article, and lots of doodle space for testing original designs. Filled with Lesley Ware's warm, girl-positive guidance, this activity book is a perfect primer to get tomorrow's trendsetters and industry leaders dreaming about the future of fashion.

My Fab Fashion Style File also features fascinating style factoids, templates for drawing clothes and figures, and glossaries of iconic designers and useful fashion lingo.
